

So, you're going to be a Senior? One more year and you're outta here, right? Well there's one little detail you need to take care of before you return to school next fall... your Senior pictures! That's right, you've got to get them taken this summer, before school starts. Most yearbook deadlines for Senior pictures are between the middle of September and the middle of October.

Schedule Your Portrait Session Now!

If you want great pictures you need to be planning now! If you wait until summer to schedule your photos, most of the good studios will be booked solid. Call 582-3338 to schedule your summer portrait session with the region's premier portrait studio- hurry, appointment times are limited!

Regionally Recognized Studio

Our studio is regionally recognized as one of the top studios in the Northwest. Seniors have traveled from all over the Northwest to have their Senior portraits done at Realife. Our 5,000 sq. ft. indoor facility offers the greatest variety and best equipment available anywhere in the U.S. Realife offers hundreds of indoor background and prop combinations. Our regionally famous outdoor studio includes old barn sets, a pond and bridge, stone arches, our antique fire truck, and numerous other great sets on our 3 acres of manicured grounds.

Our Photographers

Rick Reil, a former U.S. Air Force photographer, is nationally known as one of the top Northwest portrait photographers. His work has been published in major U.S. publications. Rick has also coauthored a nationally published book of photographs. He is one of the few local photographers certified by the Professional Photographers of America. Rick is a graduate of WSU where he held the position of Head Photographer for Student Publications. He attended the International School of Photography in Chicago and the New England Institute of Photography on Cape Cod.

Heather Gangler has been a working professional photographer for over 16 years. Her skills have been honed over the years with education through

Professional Photographers of Oregon. Heather also studied photography in Phoenix, Arizona. She works with children and Seniors and has received rave reviews throughout the Mid-Columbia region. **Shawn Murphy** (our Richland based

photographer) is recognized throughout the Mid-

Columbia for his outstanding portraiture, his experience spans more than 25 years. He is also one of the leading photography educators in the Tri-city area. Shawn is a graduate of EWU.

Not only do these guys have years of experience but they're loads of fun, too!

Want to Look Better?

Got Zits?

No problem! We've got great retouch! No matter how bad, we can get rid of them. It might cost a few extra bucks but you'll look great!

Braces?

Mouth jewelry, tinsel teeth, etc.? Don't worry, we can remove them on your photos. We can even whiten discolored teeth or fill in gaps!

Tips for Great Photos-Clothes

A thinner appearance is best achieved by wearing long sleeves and dark colors. Avoid busy patterns. Medium tones and pastels work nice. Blues, reds and browns are nice too. You might want to bring a nice outfit for a more traditional pose. Remember, the more variety in styles and colors, the more variety we'll be able to give you in poses and backgrounds. Feel free to bring along some extra outfits just in case!

Want to Look Thinner?

This is really important! **Bare upper arms**, especially on girls, do not photograph well! Your eye is drawn to flesh in a picture. If you want to advertise your upper arms and draw attention to them, wear something sleeveless! If you want people to look at your face instead of your upper arms, wear long sleeves! Solid colors look best!

Glasses

Glass glare can be a serious problem. Please borrow empty frames from your eye doctor. We cannot be responsible for problems caused by glasses. Outdoor sittings with glasses are very difficult.

Makeup

Bring your makeup to the studio, especially if it's hot; shiny faces don't photograph well.

Props

Wear clothes you like, be relaxed, bring your letter jacket if you wish. Bring along any props which help show your personality, like musical instruments or sporting equipment.

Guys

A fresh shave is a must! If you have a beard or mustache, make sure it's neatly trimmed.

Pets

If you're bringing an animal, i.e. horse, dog, cat, chicken (we prefer extra crispy), etc., please bring someone along to help control your beast.

Rest

Get a good night's sleep before your session; tired eyes can ruin your portraits.

Portrait Studios Too Expensive?

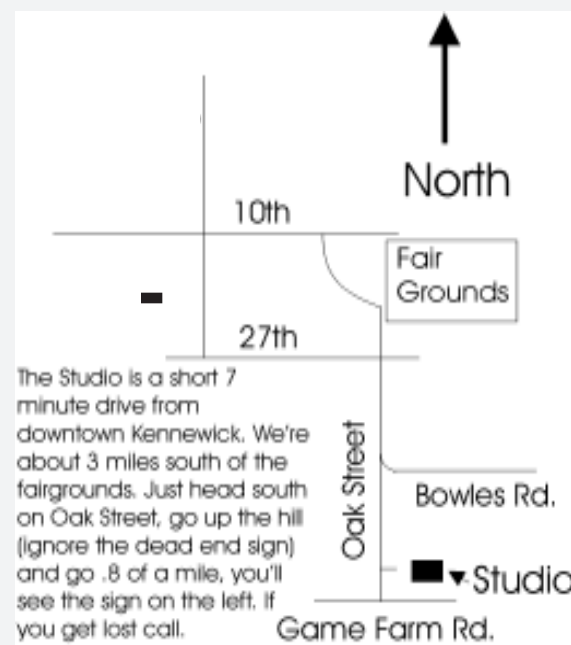

So a friend's thinking about taking your portraits in the back yard with their new digital camera? Maybe you're thinking about going to a department store photographer or the Mall or having a relative take your photos because she/he has a "really good camera". Hmm... how ya going to get out of looking like a

geek for the rest of your life in your senior yearbook with photos like that? You know what I mean, just check out last year's yearbook... some nice looking Seniors with some pretty gross pictures! So, how ya going to get some decent portraits if you can't show us the money? Here's the deal. For only \$99 bucks you can schedule the *Super Swell Senior Saver Special!* It includes a one outfit sitting by a real honest to goodness portrait photographer. We'll show you your proofs right after your session so bring mom because you'll need to order while you're here. **You get regular retouch, a beautiful 8x10 portrait, four 3 1/2 x5 portraits, and 8 wallet portraits** (budget finish, no substitutions) and your annual picture for the yearbook! This special is limited to call now to save big bucks!
