

## PROOFS & PAYMENTS

Proofs are unretouched photographs to help you select the different poses and expressions you would like for your finished prints. Proofs are the property of REALIFE PHOTOGRAPHY and must be returned within 10 days. If damaged or lost they will be charged to you at full price. Proofs may be "off-color" or too dark or too light. This will not affect your finished portraits. Proofs may be purchased if print orders exceed \$100 for \$9.00 each. Portraits are to be paid for when ordered. Finished orders must be picked up within two weeks of notification of completion.

**PLEASE NOTE:** All photographs are protected by the U.S. Copyright Law of 1978; copying or reproducing them in any way, including home scanning or posting to the internet without our written consent is illegal, dishonest, and subject to criminal and civil prosecution. All portraits created by Realife Photography will bear the studio name and copyright symbol ©.

## FOR BETTER PORTRAITS PLEASE READ CAREFULLY

1. Come 15 minutes before your sitting time so you have time to fix your hair, do makeup, etc.
2. Long sleeves are best, especially for women. Avoid big zig-zags, stripes, polka dots or flowers. Medium tones, solid colors are good.
3. If you bring a pet you **MUST** bring a person to keep the pet under control and on a leash. Pets can not be loose in the studio. No exceptions.
4. Beards are great and will photograph well, but whisker stubble could ruin your portraits. Beards should be trimmed nicely; others should be clean shaven, within an hour of your sitting is best.
5. **Glasses can be a serious problem.** Please borrow empty frames from your doctor. We cannot be responsible for problems caused by glasses. Outdoor sittings with glasses are very difficult. We charge for removing glasses glare.
6. Women, bring your makeup to the studio, especially if it's hot. Shiny faces don't photograph well.
7. Wear clothes you like, be relaxed. Blues, reds and browns are nice.
8. Let us know if you want a certain pose taken or if you have a "better side". We want to work with you to make your portraits something you'll enjoy for a lifetime.
9. Get a good night's sleep before your sitting, tired eyes can ruin your portraits.
10. If you can't make your appointment call and let us know as soon as possible.
