FOR BETTER PORTRAITS PLEASE READ CAREFULLY

1. Come 15 minutes before your sitting time so you have time to fix your hair, do makeup, etc.
2. Long sleeves are best, especially for women. Avoid big zigzags, stripes, polka dots or flowers. Medium tones, solid colors are good.
3. If you bring a pet you MUST bring a person to keep the pet under control and on a leash. Pets can not be loose in the studio. No exceptions.
4. Beards are great and will photograph well, but whisker stubble could ruin your portraits. Beards should be trimmed nicely; others should be clean shaven, within an hour of your sitting is best.
5. **Glasses can be a serious problem.** Please borrow empty frames from your doctor. Outdoor sittings with glasses are very difficult. We charge extra for removing glasses glare.
6. Women, bring your makeup to the studio, especially if it's hot. Shiny faces don't photograph well.
7. Wear clothes you like, be relaxed. Blues, reds and browns are nice.
8. Let us know if you want a certain pose taken or if you have a "better side". We want to work with you to make your portraits something you'll enjoy for a lifetime.
9. Get a good night's sleep before your sitting, tired eyes can ruin your portraits.
10. If you can't make your appointment call and let us know as soon as possible.
